MINOH FALLS & FOREST LOOP

6.09 miles · 9.81 km

Hankyu Minoh Station / Forest loop

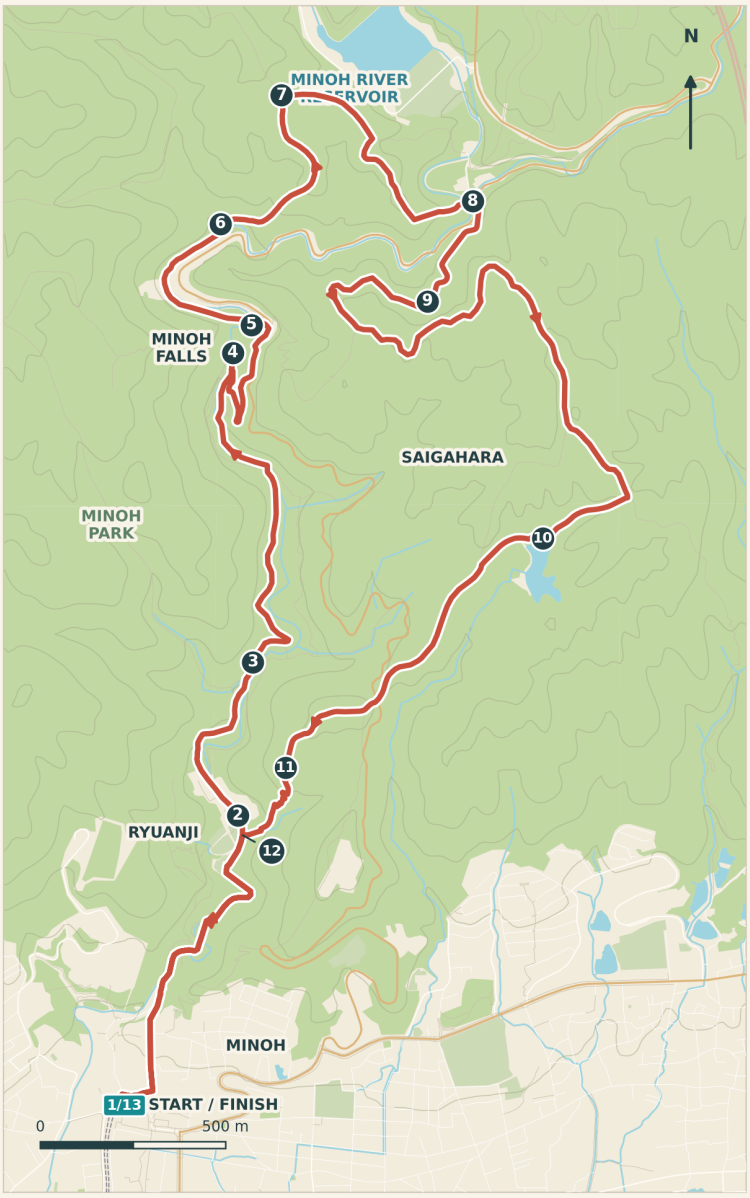

V1 / FOREST WALK

Allow about 3–3½ hours

Gain and loss ~510 m each

VALLEY & FOREST LOOP

North up · 50 m contours · 1 and 13 share the station

THE WALK

Follow paved Takimichi beside the Minoh River for 1.64 miles to the falls. Take the upper stairs and footbridge, then climb the wooded trail from Hyakunenbashi (B6) toward the dam.

Skirt the Visitor Center area and follow Saigahara Forest Road and the pond trail to Bokaioka. Descend the steep Kasekidani stairs to Ryuanji and rejoin Takimichi for the last 0.62 miles.

12	Ryuanji / Momijibashi	**5.47**
13	**Hankyu Minoh Station - Finish**	**6.09**

Cumulative miles from Hankyu Minoh Station.

Walk in daylight. The return has about 380 steep steps. Wet rock and leaves can be slippery. Watch for traffic at Route 43 and on Saigahara during autumn traffic controls.

Trail 2 has reopened. This loop avoids closed Trail 4. Follow posted restrictions and check the latest park notices.

HANKYU MINOH STATION

Start and finish at the station forecourt (HK59). From Osaka-Umeda, take the Hankyu Takarazuka Line to Ishibashi handai-mae (HK48) and transfer to the Minoh Line. Reverse the trip to return to Osaka-Umeda.

OSM and access notices checked 07 Nov 2026. Route checked remotely. Follow current signs.
